Irish Athletics Champions

1861 - 2022

The Irish Champion Athletic Club (Irish Champions AC) was founded during late 1872/early 1873 and organised the first Irish Championships on **Monday July 7, 1873** in College Park Dublin. These championships have been held every year since and are the **longest running** *national championships in the world. The Irish Champions AC, then foundered quite rapidly, being wound-up in 1880/81. Thereafter the championship meeting was run by an ad hoc committee in 1881, and by the Dublin Athletic Club from 1882 to 1884.*

After several abortive attempts to establish a national governing body for athletics, two were formed over the winter months of 1884/85.

First the Gaelic Athletic Association (GAA) was formed not alone to encourage and administer athletics, but also to develop and foster the traditional Irish field sports of hurling and football, as well as handball.

Their action galvanised the existing athletics "establishment" in Dublin who perceived the formation of the GAA - insofar as pertained to athletics as a usurpation, and so was formed, very soon after, the Irish Amateur Athletic Association (IAAA).

The distinction between the two rival governing associations is often explained in purely political terms whereas, in reality, the situation is rather more complex; particularly since both organisations embraced a quite broad spectrum of political aspiration, so that once the initial hostilities subsided the majority of athletes, whatever their affiliations, seemed to have no philosophical problems competing in the promotions of both bodies, open meetings as well as championships.

The GAA was predominantly an organisation of rural Ireland, whereas the IAAA was an urban institution, principally of Dublin and, to a lesser extent, Belfast. Moreover the separate organisations differed in their very perceptions of the sport, what actually was meant by the term "athletics". Within the GAA the primary emphasis was on the traditional and popular pastimes of rural Ireland, jumping and weight-throwing; whereas within the IAAA, on the other hand, there was what might be termed a quite pronounced "harrier" bias, its membership being largely coterminous with that of the pre-existing Cross Country Association of Ireland.

Although initially the two associations were in acrimonious opposition, better sense soon prevailed to herald a period of polite co-existence, with their respective promotions being open to all amateurs of good-standing.

With the onset of Irish independence in 1922 finally one National Governing body was athletics was formed - the National Athletics & Cycling Association (NACAI) and one National Championships were organised from 1922-1936.

In 1937 the NACAI was suspended from membership of IAAF because it refused to confine its activities to the then Irish Free State resulting in the foundation of the AAUE which continued in existance until the formation of BLE in 1967 and AAI in 1999.

Notes: The inaugural Irish Marathon Championship was held in 1924. The 1924-1928 and 1948 courses are considered to have been short.
From 1924 thru 1928, the route was from Garlow Cross (Navan) to Croke Park (Dublin) via Dunshaughlin and Phibsboro'.
The 1929 race was run over the same route but starting at Marin bridge, a point 1.5 miles beyond Garlow Cross.
The championship races from 1930-1937 were run over an out-and-back course starting and finishing at Croke Park, via Phibsboro, Ashtown, Clonee, and Dunboyne.
The 1938 National Championship was held in conjunction with the Cashel Sports, the route being Boherlahan, Holycross, Thurles, Horse and Jockey, Cashel and one circuit of the track.
The 1939 race was held in connection with the Tramway Sports at Croke Park, Dublin, the route being from Croke Park along the Ashbourne-Navan road and back to Croke Park.
‡ A re-measurement was made of the 1967 course and the distance was found to be 24.7 miles. The courses in 1971 and 1976 were also short.

Irish Under-Age Athletics Champions 1891-2020

Hereunder, is an attempt to compile the list of Irish Under-age Athletics champions from 1891 to the present day.
This has been a challenging task to say the least, due to the sheer amount of underage events & titles available on an annual basis. Alongside this, the older (pre-internet era) results are only available in newspapers and there are a number of results which simply went missing or were regretfully never recorded at a central level. The compilers warmly welcome any spelling corrections, additions and amendments you notice and ask you to email them so that history can correctly record all the great young Irish athletes who spent their early lives training exceptionally hard in pursuit of that elusive Irish title.

As the old Irish saying goes "Mol an óige agus tiocfaidh siad" - Praise the youth and they will come.

In 21,000 lines of results, errors are expected so please email spelling corrections / additions / amendments to pierce@savvysportsmgt.com and csmyth@tcd.ie

The Lists will be maintained & updated on the AAI website - Competitions, Statistics section

1891-1922 Cross Country Championships organised by Cross Country Association of Ireland
1906-1910 Cross Country Championships organised by Gaelic Athletic Association (GAA)
1923-1966 Championships organised by the National Athletics & Cycling Association of Ireland (NACAI)
1937-1966 Championships organised by Amateur Athletic Union Eire (AAUE)
1943-1967 Irish Amateur Athletics Board
1966 - 1967 Irish Juvenile Athletics Board
1967-1999 Championships organised by Bord Lúthchleas na hÉireann (BLÉ) & Bord Lúthchleas ógánach na hÉireann (BLOÉ)
2000 - present Championships organised by Athletic Association of Ireland (AAI)

Age Group Notes

1891 The term Junior had no age-limit connotation until the 1970s; to qualify for this category it was enough that the athlete had never won a Junior or Senio Championship, or been a member of a winning team.

1909 Junior is open to members of county teams who have never competed in a Senior championship or won a Junior championship

1920s Youths were over 14 and under 18 on Jan 31 of the year of competition

1923 NACAI age groups were under the age as at June 1st of that year

1930 NACAI abolished Juvenile and changed Senior Schools to a Youths (U20) Championships
U18 & U16 to remain as present

1971 The Championships took place over an eight-week period at four different venues – Roscrea, Santry, Claremorris and Dundalk.

1999 BLE / BLOE & NACAI amalgamated to form Athletics Asociation of Ireland

There was no ICCA XC championships from 1915 through 1919. The ICCA like the IAAA suspended all competition.

BLOE Congress held on 29 September 1973 passing a motion for the reinstatement of championships for all ages U11 through U16
Congress of 1972 decided that the T&F championships but NOT the XC Championships would be confined to U12,U14 and U16 age groups

NACA Youth Championships were combined with the Senior Schools Championships in 1931 through 1940.
Schools Championships (and Youth Championships) did not take place from 1941 through 1946. U16 and U18 Championships were held by the NACA in 1923, but corresponding championships were not held in 1924 through 1928.

Up to 1960, IAAB Youth Championships took place in conjunction with the IAAB Senior championships. In 1962 through 1966, Youth Championships were replaced with “Boys Championships”.

In 1942 the inaugural IAAB T&F Champs were held in College Park on Saturday 20 June 1942. These included Youth Championships.
The AAUE Youth Championships were incorporated in the inaugural IAAB championships in 1942.
In subsequent years there were Youth Championships under the auspices of both AAUE and IAAB.
AAUE did not hold Youth Championships in 1937 – only “Novice Events” with the Senior T&F.

From 1967 the yearly cycle went from the 1st Oct to the end of the following September. Ages were calculated from the 1st Oct. (the start of the season
From 1973 it changed to the 1st Jan i.e. Under 17 was an athlete 16 years of age on the 1st Jan in the year of competition.
From 2003 it was changed to the present IAAF way if doing things i.e. Under 17 is an athlete 16 years of age on the 31st Dec in the year of competition.
