

## Entry4Sports – Athletics Ireland National Entry System Assistance Guide

### 1. Log In

When landing on the page, [www.athleticsireland.entry4sports.com](http://www.athleticsireland.entry4sports.com), you will be presented with the log in screen. If you are a user with club assess authority, you would have been sent an email with log in details to access your account. If you are a public user, please click on the 'Register' icon to create an account and proceed to log in.

Once logged in, you will be presented with the entry form application, which will be shown in the next page.

A screenshot of the login form. It features two input fields: "Username or Email Address" and "Password". Below the password field is a checkbox labeled "Remember Me". A green "Log In" button is positioned to the right of the "Remember Me" checkbox.

## 2. Entry Form

The screenshot shows the Athletics Ireland entry form interface. It features a top navigation bar with a user login bar (2), a competition selector (1), and a countdown timer (3). The main content area is split into two panels: an 'Athletes' list (5) and a 'Schedule' section (6). The 'Athletes' list contains a table with columns for URN, First Name, Surname, Age, and Club. The 'Schedule' section is currently empty, displaying 'No events to show...'. At the bottom, there is an 'Order Summary' section (7) showing 'Athlete(s): 0 Event(s): 0'. A plus icon (4) is located in the top right corner of the main content area, used to expand the competition bar for further information.

### 1. Competition Selector.

When you first land on the page these two boxes will be blank. You will need to click on them and select on the first box the competition organisers and on the second box the competition you wish to make entries for.

## 2. User Log in Bar.

This bar will show you which user you are logged in as and will allow you to log out from the application using the 'Logout' button.

## 3. Entry Countdown

This is the time remaining before the entries close. Please make sure all entries are paid before this time. Even if you complete entry and send them to the basket, the application will not allow you to proceed to payment from the basket if the entry deadline has passed.

## 4. Icon to expand competition bar.

Please click on the '+' icon to see further information of the competition you have selected. When you press on this icon, you will be presented with additional tabs below the competition bar.

Here you will be able to browse location, price, current entry levels, schedule and PDF information of the competition.

## 5. Athlete List.

Here is where you will populate your account with the athletes you wish to enter. If you have a club log in account, you will already be presented with a list of all athletes that have paid their annual membership to AthleticsIreland. If you are a public user, you will see no athletes and will need to click the 'Add' icon to do this.

You will then be shown a further dialogue box where you will need the AthleticsIreland registration number and the date of birth of the athlete to proceed.

Once that information has been filled in, please press the 'Search' icon on the bottom left. If the information is correct, you will be shown the gender, club, first name and surname of the athlete. Please select the 'Confirm' icon to add this athlete to your athlete list.

## 6. Athlete Schedule Information.

To begin making entries, please select an athlete in your Athlete List by clicking on their row of data. This will bring up the schedule of events that athlete can participant in based on their age and gender in the Athlete Schedule Information.

Gearoid Yelverton 's Schedule						Age Group: Masters 35-49
Select	Date	Time	Name	PB	Information	
<input type="checkbox"/>	19th Jan 19	TBC	Combined Events			

For this example, we are using a combined events competition, therefore you only see one event that you can enter this athlete into.

To enter this athlete into this competition, please select the box to the left of the data row of that event. You will notice it will become ticked and the event entry would have transferred to the Order Summary.

Please declare personal best information as this will assist organisers in seeding championship/open heats. For combined events, when you click on the PB field it will present to you an additional dialogue box to declare the individual PB's of the disciplines within that combined event.
