2. SELECTION PHILOSOPHY:

2.1 To achieve our High Performance vision of “more athletes winning on the world stage”, while identifying World Athletics U20 as key Pathway Championships facilitating transition to senior competition, Athletics Ireland has set the selection criteria and philosophy for the 2024 World U20 Championships, where a relay team/Individual(s) selected to compete, will be **expected to obtain a podium, top 8, top 12 finish**.

3. SELECTION PROCESS:

Participation Criteria

3.1 Nothing in this Policy obliges Athletics Ireland to select a full contingent of two (2) in any particular event regardless of the World Athletics Entry Rules or the World Athletics qualification standards. Athletics Ireland will select its Team according to the criteria set out in this Policy as allowed by World Athletics Entry Rules. **Achieving a Performance Standard gives no right or guarantee of selection.**

Eligibility

3.2 In order to be eligible for selection all athletes must:

- 3.2.1** Fill out a [National Team Declaration Form \(NTDF\)](#) on Athletics Ireland High Performance website before 01 March 2024
- 3.2.2** Satisfy all World Athletics, eligibility, nationality and European championship participation rules.
- 3.2.3** Be a registered member of Athletics Ireland.
- 3.2.4** Complete and submit the World Athletics Athlete Acknowledgement and Agreement.
- 3.2.5** Remain in “good standing” with Athletics Ireland and at all times and comply with any established code of conduct or athlete agreement and otherwise conduct themselves in a way that does not bring their sport or the National Team into disrepute.

Performance Standards

3.3 Athletics Ireland’s Performance Standards for each of the events to be conducted at the 2024 World Athletics U20 Championships are set out in clause 5.

Qualification Period

3.4 Athletics Ireland has set its own periods in which the Performance Standards must be achieved. Selection will be based on the performances (for all events) during the period of 1 October 2023 to 3 August 2024.

General Selection Criteria

3.5 The Selection Panel may “exercise their sole discretion” to select an athlete(s) or relay team that meets with the eligibility and entry rules of the 2024 World Athletics U20 Championships and as stipulated in this Selection Policy.

3.5.1 The Selection Panel may use their sole and overriding discretion to consider any factor or combination of factors that, in their opinion, are relevant to the selection of an athlete, including, but not necessarily limited to the following general principles:

- A. Consistency and Repeatability** of performances (in all or any events) during the qualification period, achieving the performance standard and showing current form and fitness
- B. Statistical data** (ranking/performance list, performance-time curves, course ratings, altitude/wind adjustments)
- C. Championship performance history**, in particular, the history of the athlete’s on-demand performances at major championships
- D.** The competitive **head to head record** of each athlete
- E. Injury and illness** history

3.6 Where there are more athletes that have achieved the selection criteria in this policy beyond the maximum entry limit in any one event, the Selectors will have sole discretion to decide which of the athlete(s) is to be selected.

Individual Selection Criteria

3.7 For an individual athlete to be considered for selection to the 2024 World Athletics U20 Championships an athlete must achieve at least 1 (one) “A” standard or 2 (two) “B” Performance Standards in a particular event within the Qualifying Period, except for:

3.7.1 In the M/W 3000mSC, 3000m, 5000m, 10000m, 10000m Walk and Combined Events: because of the restricted nature of the performance period and limited qualifying opportunities, athletes will be considered for selection who have achieved 1 (one) ‘A’ standard.

3.8 An athlete that has been selected for the 2024 World Athletics U20 Championships with an “A” Performance Standard who has also achieved one “B” Performance Standard in another event will also be considered for selection in that event and may compete in either or both events if selected (the Selectors will confirm the selection of one/both events).

3.9 Athletes seeking selection for the 2024 World Athletics U20 Championships must compete in the 2024 Athletics Ireland National U20 Championships, unless dispensation has been requested (no later than 26th July 2024), except in the case of genuine illness or injury occurring after that date and verified by AAI’s medical Doctor / Lead Physio.

3.10 An athlete who wins AAI’s National U20 Championship (in the event in which they are seeking selection) and has achieved the required performance standard(s) within the qualification period will be automatically selected (given that the conditions of form/fitness are met).

Relays

3.11 For a relay panel to be considered for selection to the 2024 World Athletics U20 Championships that panel must achieve an entry standard during the qualification period on at least one (1) occasion, or;

3.11.1 In the case of Men's and Women's 4x400m and Mixed 4x400m, selectors will consider a relay panel for selection if no standard has been achieved but the following conditions are met:

3.11.1(a) In the men's 4x400m if the aggregate of the best performances by the fastest four (4) athletes available for selection during the Qualification Period is less than or equal to 3:12.00.

3.11.1(b) In the women's 4x400m if the aggregate of the best performances by the fastest four (4) athletes available for selection during the Qualification Period is less than or equal to 3:41.00.

3.11.1(c) In the Mixed 4x400m if the aggregate of the best performances by the fastest two (2) male athletes and fastest two (2) female athletes available for selection during the Qualification Period is less than or equal to 3:26.0.

3.12 Regardless of the conditions set out in clause 3.10, Selectors will only consider a relay panel for selection if all probable selections are available to compete in that event at the championships.

3.13 In the case of a relay panel being selected, a maximum of five (5) athletes will be selected per relay panel, or a maximum of six (6) athletes (three (3) male and three (3) female) in the Mixed 4x400m.

3.14 The Selection Panel, in conjunction with the appointed relay coach, may use their sole and overriding discretion to consider any factor or combination of factors that, in their opinion, are relevant to the selection of an athlete to the relay panel, including, but not necessarily limited to the following general principles:

A. Consistency and Repeatability of performances (in relevant events) during the qualification period, and showing current form and fitness

B. Statistical data (ranking/performance list, performance-time curves, altitude/wind adjustments)

C. Championship performance history, in particular, the history of the athlete's on-demand performances at major championships

D. The competitive **head to head record** of each athlete

E. Injury and illness history

F. Previous/current relay experience (proven ability to pass and receive batons, championship experience, head to heads).

G. Relay splits taken from prior championship or non-championships events may be considered.

H. Commitment to relay programme and relay panel initiatives.

3.15 Final Relay Team Selections

The "Strike Four" athletes for any Relay Team(s) that run at the championships will be **selected by the appointed Relay Coach** (who will have sole discretion) and confirmed by Team Management before final relay declarations. For selection purposes there are "No Appeals" against the final running order or to the selection of the "Strike Four" athletes.

Selectors Meetings

3.16 The Selection meeting to consider athletes for the 2024 World Athletics U20 Championships will be held on 4 August 2024.

3.16.1 [Selection Panel and the Selection Panel Terms of Reference](#) can be found on the HP section of Athletics Ireland website.

After Selection

3.17 For the purposes of clarity, it is the intended operation of this Policy that **all selections in the Team remain conditional** up to and through the championships given the athlete shows form and fitness.

3.17.1 Form and fitness is proven by the athlete achieving a performance/result prior to the championships that is close/better than the published Performance Standards set in (clause 5).

3.17.2 Failure by a selected athlete to show form and fitness prior to the Championships will, at the discretion of the Selectors, High Performance Director and/or Team Manager result in an athlete who has been initially selected to the team being withdrawn.

3.18 An athlete who is selected for the 2024 World Athletics U20 Championships or enters the Athletics Ireland Team Camp and/or championship village will be subject to an injury evaluation/assessment by the Team Management staff. The injury evaluation/assessment will be carried out by Athletics Ireland's Physio (or appointed Team Physio).

3.18.1 If as a result of such injury evaluation/assessment the Team Physio, Team Management staff, and Team Leader/Manager considers an athlete does not have the standard of fitness or is otherwise not in condition to compete due to injury at a level appropriate to the event(s) for which they have been selected, the Team Leader/Manager will have the sole discretion to withdraw the athlete from the competition.

3.19 An athlete who is found to have breached any Athletics Ireland, World Athletics, EAA, LOC or other relevant code of conduct may be withdrawn from the competition at the sole discretion of the Team Leader/Manager.

Selection Queries

3.20 Athletes can seek clarification regarding selection and/or selection requirements with the Athletics Ireland [Performance Pathway Manager](#).

Non-Selection Appeals Process

3.21 The publishing of selected athletes (Selection Announcement) on Athletics Ireland website after a selection meeting will be **deemed the commencement of the 24-hour period to lodge non-Selection Appeals** in accordance with this Selection Policy.

3.22 Any athlete who is not selected in accordance with this Selection Policy may appeal their non-selection to Athletics Ireland providing they:

3.22.1 Have submitted an NTDF in accordance with timelines contained in this Selection Policy and;

3.22.2 Submit a notice of their intention to appeal their non-selection via online [Notice of Appeals Form](#) within 24 hours of the selection decision published on the Athletics Ireland website (i.e. the Selection Announcement). The Notice of Appeal Form is submitted to the Chair of the Appeals Panel and the CEO of Athletics Ireland.

3.23 The [Selection Appeals Procedure](#) can be found on the Athletics Ireland HP website.

3.24 The Grounds upon which a Selection decision may be appealed are limited to the following:

3.24.1 There has been an alleged failure by Selection Panel to follow or apply the relevant Selection Procedure and/or criteria set out in the Selection Policy, and/or

3.24.2 The decision for selection for the championship has been reached based on an error of fact.

4. GENERAL INFORMATION:

4.1 The criteria may be amended at any time by Athletics Ireland, if Athletics Ireland is of the opinion that such amendment is necessary in the best interests of Athletics Ireland or as a result of any change in World Athletics participation rules and/or guidelines. Any amendment to the criteria will be published on the Athletics Ireland website.

4.2 Athletes may receive funding for the event under their Athletics Ireland Athlete Agreements. The decision whether to provide funding to an athlete who has been selected and the extent of any funding will be made by the High Performance Department.
