This will bring you to the registration page to enter the event:

**Choose an entry fee** – in this case, the ‘Senior Men Public Free Registration’:

The athlete search bar appears:

The search bar pulls in details of anyone that matches your search. It looks at people who are registered on the system, people who are the right age to enter the event and the right gender.

This allows you to search for an athlete in your club. **All of their details will populate in the form below, including First name, Last name, date of birth, gender, Club or team, registration number, email address** – so you won't have to enter these details manually, speeding up the process. For data protection reasons, the personal details are blanked out below.

The screenshot shows a form titled "ATHLETE SEARCH" with the instruction "Start typing below to search for your athletes." Below this is a search input field containing "john". The form displays two rows of athlete details. The first row shows "John" as the first name, a red arrow pointing to a redacted last name, and a red arrow pointing to a redacted club name. The second row shows "John" as the first name, a red arrow pointing to a redacted date of birth, and a red arrow pointing to a redacted club name. Callout boxes on the left label "Name" and "D.O.B." with red arrows pointing to the respective fields in the first row.

If you have a **discount code** to enter the event, enter it at the bottom of the page before clicking on 'Continue' to proceed:

The screenshot shows a registration page with a light green background. At the top, there is a white input field with the text "IF YOU HAVE A DISCOUNT CODE, ENTER IT HERE:". Below this is a teal "CONTINUE" button. At the bottom left is the "PRIMO EVENTS" logo with the tagline "REGISTRATION MADE EASY". At the bottom right is a white button labeled "EVENT MAP".

You are then brought to the **'Events'** page, where you can choose which events you would like to enter. You can enter more than one event at once:
