## President's welcome

---

**O**n behalf of Athletics Ireland, I am delighted to welcome our Juvenile athletes to the Tullamore Harriers Stadium this weekend for the 2022 Irish Life Health Juvenile B and Relay Championships. This follows on from four days of Juvenile activity over the last two weekends. It was fantastic to see the large number of athletes in action which I am sure will be the same today. Juvenile athletics will return here this summer one more time next week for the Combined Events Championships.

Our young athletes had fantastic performances at the recent European U18 Championships in Jerusalem, Israel highlighted by the brilliant silver medal from Fintan Dewhirst. We wish those selected for the remaining two major underage Championships this summer, the European Youth Olympic Festival in Banská Bystrica, Slovakia and the World Under 20 Championships in Cali, Columbia great success. It is our hope that they and indeed more from these age groups will continue their pathway to major senior championships.

Our gratitude to our sponsors Irish Life Health for their continued support of our Championships. We once again look forward to working with Liz Rowen and the team in Irish Life Health over the course of the track and field season.

Thank you for the organisation of this weekend's event to Evelyn O'Reilly the Chair of the Juvenile Committee; Amanda Hynes the Track & Field Secretary; the Juvenile Committee; Lizzy Broderick the Director of Competitions, Valerie O'Brien, Geraldine Stewart and James Welsh from the Competition Department who have worked closely with all the stakeholders to finalise preparations.

Thank you to Tullamore Harriers who as always have the venue in such fine condition. The new track surface has received great reviews.

Thank you to all the officials and service providers involved this weekend and as mentioned earlier, best wishes to all the athletes for this weekend and in their future career in our wonderful sport.

John Cronin, President  
**Athletics Ireland**

## Sponsor's welcome

---

**O**n behalf of Irish Life Health, I would like to welcome you to Tullamore for the Irish Life Health National Juvenile B and Relays Track and Field Championships.

It is a fantastic achievement to qualify for a national competition and we congratulate all of the athletes, parents, and coaches on making it to this stage.

Today's event is only possible because of commitment from a lot of people and we are very appreciative of the efforts of

organising committees, volunteers, officials and staff at the stadium, and of course to all of the supporters who create a great atmosphere for those competing.

Good luck to everyone competing and I hope that your training and preparation helps you perform to your best today. I also hope all those supporting have a very enjoyable day at the Irish Life Health National Juvenile B and Relays Track and Field Championships.

Liz Rowen  
Head of Marketing

## Chair message

---

**O**n behalf of the Juvenile Committee it gives me great pleasure to welcome you all to the 2022 Irish Life Health Juvenile B Championships & Relays.

We are delighted to be here in Tullamore on the upgraded track and great credit is due to the members of Tullamore Harriers for their continued hard work in providing this magnificent facility which is of tremendous benefit to Irish athletics. Our thanks to the stadium ground staff who always have the facility in top condition for our Championships.

For some of you it may be your first National Championships, for others you are continuing your athletics journey, to you all we wish you the very best of luck in your events and hope that you all enjoy the experience. Our thanks to your coaches and clubs who have all helped to bring you to this day and we look forward to seeing you all many times in the coming years.

Thanks to the parents and volunteers who work tirelessly in your clubs affording you all the opportunity to partake of a broad range of athletic events, indeed volunteer coaches are the backbone of our association and we wish to acknowledge that and thank them for their work.

It will be a busy summer for juvenile athletes as some will be competing at the EYOF in Slovakia, others at the U18 European Championships in Jerusalem and U20 Championships in Columbia, it is excellent to see just how many athletes are achieving qualification standards for these competitions, and we wish them well competing in their Irish vests.

Another group without whom events like today just wouldn't happen are the officials, these men and women willingly give time to attend these events to ensure the smooth running and allow all athletes to compete in a safe and fair environment. We thank you all for your continued involvement.

Thanks to Irish Life Health who continue to support us in the delivery of our Track & Field championships over the summer months.

I wish to acknowledge all the work and commitment of the members of the Juvenile committee in the development of Juvenile athletics. Special thanks to Amanda Hynes, Track & Field secretary for her huge contribution in setting up the summer's program. Our thanks also to the staff in Athletics Ireland, Lizzy Broderick, Director of Competitions ably assisted by James Welsh, Valerie O'Brien and Geraldine Stewart.

I wish you all a very enjoyable day here in Tullamore and hopefully it will be the first of many days at National Championships.

## Policy Statement for the Athletic Association of Ireland

The Athletic Association of Ireland is fully committed to safeguarding the well-being of all of its members. Every individual in Athletics Ireland should at all times show respect and understanding for members rights, safety and welfare and conduct themselves in a manner that reflects the values of the organisation and the guidelines contained in the Code of Ethics and Good Practice for Children in Athletics.

In Athletics Ireland our first priority is the safety and welfare of children and young people, and we are committed to providing an environment which will allow participants to participate and perform to the best of their ability, free from threat of harassment, bullying and intimidation.

The Athletics Ireland Child Safeguarding and Inclusion team are committed to ensuring the implementation of child safeguarding requirements and can offer guidance where required on all our policies & procedures.

## Seeding and order of competing

In **Track** events, in the first round, athletes are seeded and lanes assigned by the computer randomly.

Once the first round has been completed and qualifiers obtained, there will be three draws for the lane allocation:

- one for 4 highest ranked to determine placing in lanes 3, 4, 5 and 6,
- one for 5<sup>th</sup> & 6<sup>th</sup> rankings to determine placing in lanes 7 and 8,
- and finally one for 7<sup>th</sup> & 8<sup>th</sup> rankings to determine placing in lanes 1 and 2.

(Rankings are determined by: fastest heat winner, 2<sup>nd</sup> fastest heat winner etc., fastest 2<sup>nd</sup> place, 2<sup>nd</sup> fastest 2<sup>nd</sup> place etc., concluding with: fastest time qualifier, 2<sup>nd</sup> fastest time qualifier etc.)

In **Field** events athletes shall be listed randomly. In the horizontal jumps and the throws, those qualifying for the final three attempts shall compete in the reverse order of their position after three attempts: i.e. 8<sup>th</sup> place competes first, 7<sup>th</sup> place second etc.
