

Irish Under Age Indoor Athletics Champions 1984-2016

The task of compiling the list of underage winners of Irish Indoor Championship titles since their inception in the mid-1980s, while needed and attractive, inevitably presented a number of difficult challenges.

These included missing and lost results, a dependence on newspapers for results which can never be assumed to be accurate and of course age group changes and hand timing. (See notes at the end of the compilation)

However, what is presented is an honest attempt to record what happened and give the athletes & clubs who won the titles their place in history forever.

The authors apologise in advance for errors and strongly welcome corrections and additions to be sent to the following email addresses with thanks.

Age group definitions:

Prior to 2002 the definition of age groups was under the age on **January 1 of that year**

From 2002 onwards, in line with IAAF rules, the definition changed to under the age on **December 31 of that year**

The first main programme BLOE National Juvenile Championships were held at Nenagh Olympic Stadium on Sunday 8 February **1987**.

There were only 4 age groups for Boys and Girls – U14, U15, U16, U17. There were three/four events in each age group:

U14 – 60m, shot put, long jump

U15 – 60mH, high jump, shot put

U16 – 60m, high jump, long jump, shot put

U17 – 60mH, high jump (not in Boys U17 for some reason), long jump, shot put

In 1988 there were only championships in two uneven individual age group championships

U15 and U17 Boys and Girls – 60m, 60mH, 800m, LJ, HJ, SP + 4 x 200m relays.

U14 could move up to U15 and U16 could move up to U17.

From 1989-1991 there were three individual age group championships – U13, U15, U17.

There was no HJ for U13 until 1993 (60m, 60mH, 800m, 1500m, shot put, LJ + relay).

There was no SP for U13 Boys & Girls in 1991. In 1989 the 1500m Walk was added to the U15 programmes and the 1500m to the U15 & U17 programmes. U17 1500m walks came in first in 1991.

In 1988 and in 1989 there were two spacings for the 60m hurdles (presumably for U16 and U17 girls).

From 1990 there was only one GU17 60mH.

The 400m for U17 Boys & Girls was introduced in 1990.

In 1991 4x200 relays were introduced for Boys & Girls U14 & U16.

In 1992, U14 and U16 Girls & Boys individual events were re-introduced.
