	Bus Stop
	Campus Speed Limit - 15km/h

General Information

Please refer to the TUS Athlone Parking Regulations in conjunction with this map. The campus speed limit is 15km/h. All vehicles must observe the speed limit to reduce the risk of accidents.

Vehicles require a permit to park on the Campus in all areas save the Pay Parking at the International Arena and Reserved Car Parks (separate authorisation required) between 9am - 5pm Monday - Friday. Parking patrols will enforce permit parking from 9am - 5pm Monday to Friday. Outside of these hours, cars may park in any marked parking space - however illegally parked cars will be clamped outside these hours.

Visitors Parking is available in the International Arena, or by pre-arrangement in the Reserved Car Park at the Main Entrance.

EV Charging is available on the East Campus, available to campus users and the public subject to use of required App.

Bus Parking is strictly prohibited on campus from 9am - 5pm Monday to Friday. During these hours, bus drivers may drop off and collect passengers on campus but must vacate the campus during the event/activity.
