All Time Athletics Caps - IRELAND

(DRAFT)

To be forgotten is to die twice

The following is the list of athletes who have been selected and represented Ireland in Official Senior International Championships, Cups & Matches against other athletes who were all wearing national vests from 1876-2021.

It is currently in draft form and the intention is to assign a unique number to every international to represent Ireland.

Although Irish international athletes traditionally receive singlets, Cap is an acronym for "Country Appearance".
