

Statistic handbook

European Cup Combined Events

1973 25 editions 2007

The well known combined events statistician **Hans van KUIJEN** from the Netherlands will publish a statistic handbook of the history of the **European Cup Combined Events**.

This handbook will include the following information:

- All results from 1973 - 2007 (team and individual)
- Review of history of European cup
- Overview of participating countries, athletes, entries
- ECCE superlatives (a lot of interesting data on results and participants)
- Country index
- All time best rankings with all performances above 8.000 points men and 6.000 points women and top 50 team results
- Index of all participating athletes in ECCE meetings

It will contain 200 pages with information of the ECCE meetings printed in A5 format. The price of this handbook is EUR 25,- (incl. post and packaging costs) and it will be available in November 2007
