# Welcome from Irish Life Health

On behalf of our team in Irish Life Health, I welcome you all to the Irish Life Health National Junior and Under 23 Track and Field Championships.

We are delighted that this year's Junior and Under 23 Championships will be in a position to take place and offer athletes the opportunity and platform to compete in what is a hugely important year, particularly for those seeking qualification for the European Under 20 and 23 Championships which are set to take place in July.

Irish Life Health is proud to be a sponsor and partner of Athletics Ireland. Our whole team recognises the very important role participation in athletics plays by providing a platform for tens of thousands of people across Ireland to maintain and improve their own physical health and wellbeing, especially during this difficult last year.

These championships have been made possible by the huge amount of behind-the-scenes work done by so many people over the last few months. I would like to express our gratitude to newly elected Athletics Ireland President John Cronin, Chief Executive Hamish Adams, the organising committee, volunteers, officials, and the team in Athletics Ireland who have worked extremely hard to ensure this event can proceed in the safest possible way.

Finally, I would like to wish every athlete the best of luck and I hope everyone supporting and watching the Championships remotely enjoy two full days of athletics at the Irish Life Health National Junior and Under 23 Track and Field Championships.

*Best wishes,  
Liz Rowen  
Head of Marketing  
Irish Life Health*

# President's Address

On behalf of Athletics Ireland, I am delighted to welcome our athletes to Morton Stadium for the Irish Life Health National Junior and Under 23 Track and Field Championships this weekend. We wish all of those competing the best of luck as both age categories continue the journey from Juvenile to Senior ranks. A special mention to those athletes entering their final preparation stage for the upcoming European Under 20 and Under 23 Championships which take place in Tallinn, Estonia next month. We wish them well in their pursuits over the next two days.

Like 2020, these Championships are being held under the current Covid19 Government guidelines which unfortunately means that not everyone can attend due to the restriction on numbers. As a result, the one-day timetable that was in operation up to 2019 must be stretched out over two days. It is regrettable that we cannot accommodate media, coaches, and spectators, but a live stream of both days will be available via the Athletics Ireland YouTube channel. For those on site we thank you in advance for following the protocols in place and any instructions given.

Our gratitude to our sponsors Irish Life Health for their continued support of our Championships. We once again look forward to working with Liz Rowen and the team in Irish Life Health and wish their new CEO Gerard Davis well in his new role while also wishing the previous CEO Jim Dowdall all the best in the future.

Last weekend saw the return to competition at National level with two very successful events; the National 20K Race Walking Championships held in Tuam, and the European Athletics Permit AAI Games held over 2 days in Morton Stadium. Next weekend will see 149th National Senior Championships held over three days continuing the sequence for the longest running continuous National Senior Championships in the world.

So many of our athletes have produced wonderful performances including National records over the last number of weeks and it will be great to see them in action at our Championships over the next two weekends as the qualifications for Tallinn and Tokyo conclude.

Thank you for the organisation of this weekend's event to Andrew Lynam the Chair of the Competition Committee; the Competition Committee; Barry Pender, Valerie O'Brien and James Welsh from the Competition Department who have worked closely with all the stakeholders internal and external to finalise all the protocols and preparation. Thank you to Sport Ireland and the Morton Stadium staff who have the stadium in such fine condition and who have played a key role in the preparations. Thank you to all the officials and service providers involved this weekend and as mentioned earlier best wishes to all the athletes competing this weekend.

*John Cronin  
President,  
Athletics Ireland*

# Timetable of events

## IRISH LIFE HEALTH JUNIOR & U23 CHAMPIONSHIPS

Both days of the Irish Life Health Junior & U23 Championships will be live streamed on the Athletics Ireland YouTube channel.

\* - In the event of final declarations requiring more than one race in the 400m Hurdles and 1500m, the event will be run in seeded heats, with the overall positions decided on fastest time (since 2016).

\*\* - For the Under 23 relays, at least one Under 23 must be included in the team. (New-2017)

Please note this timetable is subject to change, if necessary the programme will be brought forward. Juniors to race before U23's on Track, Juniors & U23 Field Events to be held together.

In the event of heats proving unnecessary, FINALS will be held at Heat TIMES.

Athletes who enter for Junior & U23 Competition may be selected for testing under the Anti Doping document. Minors must have Parental/Guardian consent and signature. Forms available on our website.

Doping is Cheating, AAI is Committed to Drugs Free Sport
