3. SELECTION PHILOSOPHY:

3.1 To achieve our High Performance vision of “more athletes winning on the world stage” Athletics Ireland has set the selection criteria and philosophy for the 2024 World Athletics Race Walking Team Championships, where a Team/Individual(s) selected to compete, will have the potential to **achieve a top 12 (team finish), top 22 Marathon Race Walk Mixed Relay Team finish or top 30 (individual finish)**.

4. SELECTION PROCESS:**Participation Criteria**

4.1 Nothing in this Policy obliges Athletics Ireland to select a full contingent of athletes in any event regardless of the Entry Rules or the Performance Standards. Athletics Ireland will select its Team according to the criteria set out in this Policy as allowed by World Athletics Entry Rules. **Achieving a Performance Standard gives no right or guarantee of selection.**

Eligibility

4.2 In order to be eligible for selection/nomination all athletes must:

4.2.1 Fill out a [National Team Declaration Form](#) (NTDF) on the High Performance section of AAI website.

- 4.2.2 Satisfy all World Athletics eligibility, nationality and LOC championship participation rules.
- 4.2.3 Be a registered member of Athletics Ireland.
- 4.2.4 Complete and submit the World Athletics Athlete Acknowledgement and Agreement.
- 4.2.5 Remain in “good standing” with Athletics Ireland and at all times comply with any established code of conduct or athlete agreement and otherwise conduct themselves in a way that does not bring their sport or the team into disrepute.

Performance Standards

4.3 Athletics Ireland has set its own Performance Standards for the purposes of this Selection Policy. Only World Athletics recognised performances and events will be accepted. Athletics Ireland’s Performance Standards for each of the events to be conducted at the 2024 World Athletics Race Walking Team Championships are set out in clause 6.

Qualifying Period

4.4 Athletics Ireland has set the Qualification Periods for this event, in which Performance Standards must be achieved, from 1 January 2023 to 31 March 2024 (TBC, pending publication of final entry date by WA).

General Selection Criteria

4.5 The Selection Panel may “exercise their sole discretion” to select a team or individual(s) that meets with the eligibility and entry rules of the 2024 World Athletics Race Walking Team Championships and as stipulated in this Selection Policy.

4.5.1 The Selection Panel may use their sole and overriding discretion to consider any factor or combination of factors that, in their opinion, are relevant to the selection of an athlete, including, but not necessarily limited to the following general principles:

- A. **Consistency and Repeatability** of performances (in all or any events) during the qualification period, achieving the performance standard and showing current form and fitness
- B. **Statistical data** (ranking/performance list, performance-time curves, course ratings, altitude/wind adjustments)
- C. **Championship performance history**
- D. The competitive **head to head record** of each athlete
- E. **Injury and illness** history

4.6 Where there are more athletes that have achieved the selection criteria in this policy beyond the maximum entry limit in any one event, the Selectors will have sole discretion to decide which of the athlete(s) is to be selected.

Individual Selection Criteria

4.7 For an athlete **to be considered for selection** to the 2024 World Athletics Race Walking Team Championships an athlete must achieve a Performance Standard (see clause 6) within the Qualification Period. If an athlete has achieved a Performance Standard prior to 1 December 2023 only they will be expected to show form and fitness between 1 December 2023 and 1 February 2024 by achieving a result(s) at a standard close to the listed Performance Standards.

Marathon Race Walk Mixed Relay

4.8 Marathon Race Walk Mixed Relay team(s) will be considered for selection should the Selection Panel consider such a team to be capable of being competitive at the 2024 World Race Walking Team Championships, and if Selectors consider that such a team has a realistic prospect of qualification for the 2024 Olympic Games.

4.8.1 The Selection Panel may use their sole and overriding discretion to consider any factor or combination of factors that, in their opinion, are relevant to the selection of an athlete to the relay panel, including, but not necessarily limited to the following general principles:

- A. **Consistency and Repeatability** of performances (in relevant events) during the qualification period, and showing current form and fitness
- B. **Statistical data** (ranking/performance list, etc)
- C. **Championship performance history**, particularly the history of the athlete’s on-demand performances at major championships
- D. The competitive **head to head record** of each athlete
- E. **Injury and illness** history
- F. Relay splits taken from prior competitions may be considered.

Selectors Meeting

4.9 Final selection for all events will be on **31 March 2024** (NB – this date has been revised from original date set of 02 April 2024 after WA confirmed its final entry deadline of 01 April 2024).

4.9.1 The Selection Panel members and the [Selectors Terms of Reference can be found here](#).

Selection Announcement

4.10 The Selections for the 2024 World Athletics Race Walking Team Championships will be published on the High Performance section of Athletics Ireland website after the selection meeting.

Selection Queries

4.11 Athletes may seek clarification regarding selection with the Athletics Ireland [Performance Director](#).

After Selection

4.12 For the purposes of clarity, it is the intended operation of this Policy that **all selections in the Team remain conditional** up to and through the championships given the athlete shows form and fitness.

4.12.1 Failure by a selected athlete to show form and fitness prior to the Championships will, at the discretion of the Selectors, High Performance Director and/or Team Manager result in an athlete who has been initially selected to the team being withdrawn.

4.13 An athlete who enters the Athletics Ireland Team Camp and/or the 2024 World Athletics Race Walking Team Championships village will be subject to an injury evaluation/assessment by the championship Team Management staff. The injury evaluation/assessment will be carried out by Athletics Ireland's Physio (or appointed Team Physio).

4.13.1 If as a result of such injury evaluation/assessment the Team Physio, Team Management staff, and Team Leader/Manager considers an athlete does not have the standard of fitness or is otherwise not in condition to compete due to injury at a level appropriate to the event(s) for which they have been selected, the Team Leader/Manager will have the sole discretion to withdraw the athlete from the competition.

4.14 An athlete who is found to have breached any Athletics Ireland, World Athletics, LOC or other relevant code of conduct may be withdrawn from the competition at the sole discretion of the Team Leader/Manager.

Non-Selection Appeals Process

4.15 The publishing of selected athletes (Selection Announcement) on Athletics Ireland website after a selection meeting will be **deemed the commencement of the 24-hour period to lodge non-Selection Appeals** in accordance with this Selection Policy.

4.16 Any athlete who is not selected in accordance with this Selection Policy may appeal their non-selection to Athletics Ireland providing they:

4.16.1 Have submitted an NTFD in accordance with timelines contained in this Selection Policy and;

4.16.2 Submit a notice of their intention to appeal their non-selection via online [Notice of Appeals Form](#) within 24 hours of the selection decision published on the Athletics Ireland website (i.e. the Selection Announcement). The Notice of Appeal Form is submitted to the Chair of the Appeals Panel and the CEO of Athletics Ireland

4.17 The [Selection Appeals Procedure](#) can be found on the HP section of Athletics Ireland website.

4.18 The Grounds upon which a Selection decision may be appealed are limited to the following:

4.18.1 There has been an alleged failure by Selection Panel to follow or apply the relevant Selection Procedure and/or criteria set out in the Selection Policy, and/or

4.18.2 The decision for selection for the championship has been reached based on an error of fact.

5. GENERAL INFORMATION:

5.1 The criteria may be amended at any time by the Directors of Athletics Ireland, if Athletics Ireland is of the opinion that such amendment is necessary in the best interests of Athletics Ireland or as a result of any change in participation rules and/or guidelines. Any amendment to the criteria will be published on the Athletics Ireland website.

Funding

5.2 Athletes may receive funding for the event under their Athletics Ireland Athlete Agreements. The decision whether to provide funding to an athlete who has been selected and the extent of any funding will be made by the High Performance Director.
