3. SELECTION PHILOSOPHY:

3.1 Athletics Ireland has established the Selection Criteria consistent with its High Performance vision of “more athletes winning on the world stage”. The 2024 World Athletics Indoor Championships is an event where an athlete selected to compete as an individual will be **expected to be capable of obtaining a podium, top 8, or top 12 finish.**

4. SELECTION PROCESS:

Participation Criteria

4.1 Nothing in this Policy obliges Athletics Ireland to select a full contingent of athletes in any particular event regardless of the Entry Rules or the Performance Standards. Athletics Ireland will select its Team according to the criteria set out in this Policy as allowed by Entry Rules. **Achieving a Performance Standard gives no right or guarantee of selection.**

Eligibility

4.2 In order to be eligible for selection all athletes must:

4.2.1 Fill out a [National Team Declaration Form \(NTDF\)](#) on Athletics Ireland High Performance website.

4.2.2 Must compete in Athletics Ireland’s National Indoor Championships on 17-18 February 2024.

4.2.3 Satisfy all World Athletics eligibility, nationality and world championship participation rules.

4.2.4 Be a registered member of Athletics Ireland.

4.2.5 Complete and submit the World Athletics Athlete Acknowledgement and Agreement.

4.2.6 Remain in “good standing” with Athletics Ireland and at all times comply with any established code of conduct or athlete agreement and otherwise conduct themselves in a way that does not bring their sport or the National Team into disrepute.

Performance Standards

4.3 Athletics Ireland has adopted the World Athletics Performance Standards as it’s A Standards for the purposes of this Selection Policy. In the 60m, 400m, 800m, 1500m and 60mH only, Athletics Ireland requires athletes qualifying by virtue of World Rank to also have achieved a B standard in the 2024 indoor season. Given the stringent qualification criteria set by WA, no B standards are required in the 3000m, HJ, LJ, PV, TJ or SP. There are no qualifying standards for 4x400m relays. The Standards for each of the events to be conducted at the 2024 World Athletics Indoor Championships are set out in clause 6.

Qualifying Period

4.4 A standards (for all events except CE and Relays) must be achieved between 1 January 2023 to 18 February 2024. B standards in the 60m,400m, 800m, 1500m and 60mH must be achieved between 1 December 2023 and 18 February 2024. The qualification period for World Rank is as per the respective WA event ranking rules and ranking periods. Regardless of the requirement for a B

standard, all athletes are required to show form and fitness in the 2024 indoor season between 1 December 2023 and 18 February 2024

General Selection Criteria

4.5 The Selection Panel may “exercise their sole discretion” to select an athlete(s) or relay team that meets with the eligibility and entry rules of the 2024 World Athletics Indoor Championships and as stipulated in this Selection Policy. This includes selections for relay teams, individuals and for instances when there are more than 3 athletes who have met the performance standard.

4.5.1 The Selection Panel may use their sole and overriding discretion to consider any factor or combination of factors that, in their opinion, are relevant to the selection of an athlete, including, but not necessarily limited to the following general principles:

A. Consistency and Repeatability of performances (in all or any events) during the qualification period, achieving the performance standard and showing current form and fitness

B. Statistical data (ranking/performance list, performance-time curves, course ratings, altitude/wind adjustments)

C. Championship performance history, in particular, the history of the athlete’s on-demand performances at major championships

D. The competitive **head to head record** of each athlete

E. Injury and illness history

4.6 Where there are more athletes that have achieved the selection criteria in this policy beyond the maximum entry limit in any one event, the Selectors will have sole discretion to decide which of the athlete(s) is to be selected.

Individual Selection Criteria

4.7 For an athlete **to be considered for selection** to the 2024 World Athletics Indoor Championships by;

4.7.1 Achieving an A Standard (see clause 6) within the respective Qualification Period.

4.7.2 By virtue of World Rankings Position **AND**, in the 60m, 400m, 800m, 1500m and 60mH only, have achieved a B standard (see clause 6) within the respective Qualification Period.

4.7.3 being invited to compete in Combined Events as detailed in clause 2.3

4.7.4 having achieved a Wild Card as detailed in clause 2.2.2

4.7.5 Where an athlete is already selected in one event, and is seeking selection in another event having qualified via World Ranking position in the second event, they will not be required to have achieved a B standard in the second event (applies to 60m, 400m, 800m, 1500m and 60mH only).

4.8. All athletes seeking selection are required to show form and fitness in the 2024 indoor season between 1 December 2023 and 18 February 2024.

4.9 Athletes seeking selection for the 2024 World Athletics Indoor Championships must compete in the 2024 Athletics Ireland Indoor National Championships unless dispensation has been requested (no later than 9 February 2024), except in the case of genuine illness or injury occurring after that date and verified by AAI’s medical Doctor/Lead Physio.

4.10 An athlete who wins AAI’s National Indoor Championship (in the event in which they are seeking selection) and has achieved qualification as per the criteria laid out in this policy will be automatically selected.

4.11 The Selectors will consider any established breach of any code of conduct or athlete agreement by an athlete as a member of an Athletics Ireland representative team in deciding whether to select an athlete. Such a breach may result in the Selectors not nominating an athlete for selection, who would otherwise satisfy these criteria.

Relay Teams

4.12 There are no entry standards for the 4x400m relays. A relay team(s) will be considered for selection if the Selection Panel believes that a relay team(s) can be competitive at the 2024 World Indoor Championships and there are sufficient numbers of available athletes to make up a competitive team(s). Athletics Ireland will communicate with senior relay panel members the level and depth of individual performance expected in order to justify selecting relay teams for this championship.

4.12.1 The Selection Panel may use their sole and overriding discretion to consider any factor or combination of factors that, in their opinion, are relevant to the selection of an athlete to the relay panel, including, but not necessarily limited to the following general principles:

- A. Consistency and Repeatability** of performances (in relevant events) during the qualification period, and showing current form and fitness
- B. Statistical data** (ranking/performance list, performance-time curves, altitude/wind adjustments)
- C. Championship performance history**, in particular, the history of the athlete's on-demand performances at major championships
- D.** The competitive **head to head record** of each athlete
- E. Injury and illness** history
- F. Previous/current relay experience** (proven ability to pass and receive batons, championship experience, head to heads).
- G.** Relay splits taken from prior championship or non-championships events may be considered.
- H. Commitment to relay programme** and relay panel initiatives.

4.13 Final Relay Team Selections

The "Strike Four" athletes for any Relay Team(s) that run at the championships will be **selected by the appointed Relay Coach in consultation with Team Management**. For selection purposes there are "No Appeals" against the final running order or to the selection of the "Strike Four" athletes.

After Selection

4.14 For the purposes of clarity, it is the intended operation of this Policy that **all selections in the Team remain conditional** up to and through the championships given the athlete shows form and fitness.

4.14.1 Failure by a selected athlete to show form and fitness prior to the championships will, at the discretion of the Selectors and/or High Performance Director, result in an athlete who has been initially selected to the team being withdrawn.

4.15 An athlete who enters the Athletics Ireland Team Camp and/or the 2024 World Athletics Indoor Championships village will be subject to an injury evaluation/assessment by the championship Team Management staff. The injury evaluation/assessment will be carried out by Athletics Ireland's Physio (or appointed Team Physio).

4.15.1 If as a result of such injury evaluation/assessment the Team Physio, Team Management staff, and Team Leader/Manager considers an athlete does not have the standard of fitness or is otherwise not in condition to compete due to injury at a level appropriate to the event(s) for which they have been selected, the Team Leader/Manager, in consultation with the Performance Director, will have the sole discretion to withdraw the athlete from the competition.

4.15.2 An athlete who is found to have breached any Athletics Ireland, WA, LOC or other relevant code of conduct may be withdrawn from the competition at the sole discretion of the Team Leader/Manager.

Athletes who have not met criteria, for instance those who have not achieved a B standard in events where a B standard is required, will not be pre-entered, and therefore will not appear on final list of qualifiers to be published by WA on 21 February 2024.
