Chairperson's Address

On behalf of the Committee, I welcome you all to the 2026 program of events and look forward to a successful year ahead. We would like to thank parents, club officials and young athletes for their continuous support of our great sport.

To all the volunteers at Club, County, Regional and National Level, we owe a sincere word of gratitude for all your work promoting our sport. We would really like to encourage others to get involved at any level within the athletics community, we are always in need of volunteers to help run our Championships. I hope that every athlete and official taking part in any of our events has memorable experiences and creates some lifelong friendship throughout the year.

The environment we create in our Clubs, Counties, Provinces and at National/International level is vital in our quest to ensure a high percentage of our young athletes remain in our sport.

I would like to thank our sponsors Adidas and 123.ie for their financial support, which we greatly appreciate.

It is great to see Irish athletes continuing to perform so well all over the world. 2026 provides more opportunities for our young athletes to achieve at international level. With the European U18 Athletics Championships in Rieta Italy 16th/19th July and the World U20 Championships taking place in Hayward Field at the university of Oregon 5th/9th August 2026 many of our young athletes are chasing qualifying standards. The Home Nations/Celtic Cross Country Championships February 2027 (date TBC) will also be a target for many. We wish you all the best.

I wish to thank the AAI Competitions Department, lead most ably by Ger Stewart, for all the work done in the office and on the ground to coordinate the logistics for all our events.

Thanks to all the members of the Juvenile Committee. As volunteers we work hard in our different roles and as a team to make sure our young athletes are well looked after as they compete in our National Championships.

The Juvenile Star Awards will take place on 18th April 2026 in Mullingar. This is a great day of celebration for athletes, clubs, coaches and families. Congratulations to all selected for an award. Nice recognition for hard work and dedication.

The Juvenile Committee welcome feedback on any aspect of juvenile athletics and feel free to contact any member of the committee with issues or concerns at any time.

We look forward to another busy year on the domestic scene.
Best of luck in all events in 2026

Yours in sport Mark Connolly Chair – Juvenile Committee

Code of Ethics and Good Practice for Children in Athletics

In Athletics Ireland, our first priority is the welfare of the young people, and we are committed to providing an environment that will allow participants to perform to the best of their ability, free from bullying and intimidation.

Protest/ Appeals Process

- TR 8.2 Protests concerning the result or conduct of an event shall be made within 20 minutes of the official announcement of the result of that event.
- TR 8.3 Any protest in the first instance shall be made *orally* to the Referee by the athlete or someone acting on their behalf. The Referee may decide the protest *or* refer it to the Jury of Appeal. To arrive at a fair decision the Referee should use any available evidence they feel is necessary. If the Referee makes a decision, there shall be a right of appeal to the Jury. The appeal to the Jury should only come after a decision by the Referee.
- TR 8.7 An appeal to the Jury of Appeal must be made within 20 minutes of the official announcement of the amended result of an event arising from the decision made by the Referee, or of the advice being given to those making the protest, where there is no amendment of any result.
- TR 8.7 The appeal to the Jury shall be in writing signed by a responsible club official on behalf of the athlete or team and shall be made within 20 minutes following the decision of the Referee and shall be accompanied by a €20 fee in cash which will be forfeited if the appeal is unsuccessful.
- TR 8.8 The Jury of Appeal shall consult all relevant persons, including the relevant Referee (except when their decision is to be fully maintained by the Jury of Appeal). If the Jury of Appeal is in doubt, other available evidence may be considered. If such evidence, including any available video evidence, is not conclusive, the decision of the Referee or the Chief Race-Walking Judge shall be upheld.
- TR 8.9 The Jury of Appeal may reconsider a decision if new conclusive evidence is presented, provided the new decision is still applicable. Normally, such re-consideration may be undertaken only prior to the Victory Ceremony for the applicable event, unless the relevant governing body determines that circumstances justify otherwise.
- The Jury of Appeal shall consist of a representative of each of the five regions, three of whom will sit during the appeal.
- Advice will be obtained from a member of the Technical Committee when and if required.
- The decision of the Jury of Appeal shall be final and there shall be no further right of appeal.
