

SIAB Track & Field International 2026

SATURDAY 18th July

WELCOME

From Billy Delaney, President of the Irish Schools' Athletics Association

On behalf of the Irish Schools' Athletics Association, it gives me great pleasure to welcome all the athletes, parents, coaches, managers and officials from the four home countries to this year's SIAB Track and Field International. This is our second visit to "The Mary Peters Track" for our annual SIAB International and I am sure it will equal or even surpass the wonderful occasion we had four years ago where a number of the winners that day have since gone on to Olympic representation for their country.

A major effort has been put in by all at The Mary Peters Track to host this international again. A big thanks goes to Gemma, Conor, Liz and an army of volunteers who have left no stone unturned to have everything in place to make today's International an enjoyable experience for everybody. Much of the planning and organisation for today was done by Anthony White Irish Schools' Administration Director making sure all the logistics for the three visiting and Irish team are in place to make their visit to Belfast a special occasion.

It is a very significant achievement to be selected on your nation's school's team and I hope it is a special milestone on your pathway to a very successful athletics career. If you look at all the athletes who have had this recognition before you and have gone on to considerable international success on the global stage you cannot but be inspired to set yourself a similar goal for senior international success.

123.IE continue to support Irish Schools' Athletics for this we are very grateful as it allows us to continue to host events like today's and give our talented boys and girls an opportunity to shine. To the large number of dedicated and experienced officials here today I say thanks for your work and support, without which the event just could not take place.

Finally, I wish you all a safe journey home.

Billy Delaney
President ISAA

WELCOME

From Paul Allison, Chairman of the Schools' International Athletic Board

As Chairman of the Schools' International Athletics Board, may I extend a huge welcome to Athletes, Parents, Coaches, Officials and supporters of the Schools' Track & Field International here at the Mary Peters Track, Belfast. The SIAB International is a very significant event in the sporting life of many of the athletes competing today, It is an honour to represent your country. It reflects well on the individual efforts and successes to date and measures the commitment and hard work of all of the athletes. For many, today is quite often the first time an athlete gets the chance to represent their country and is indeed a stepping stone for many, to go onto greater things.

We must thankmost sincerely the Irish Schools Association and in particular Anthony White and Gemma Thompson with the organisation of today's event. We are also indebted to the many dedicated officials from Irish Schools, Ulster Schools, Athletics Northern Ireland and Athletics Ireland who have volunteered their assistance and experience today.

Good Luck to everyone today

Paul Allison
SIAB Chairman

In Memory of Rory Friel

As the finest young athletes from Ireland, England, Scotland and Wales gather at the Mary Peters Track in Belfast for the 2026 Schools International Athletic Board (SIAB) Track & Field International, it is fitting that we pause to remember one of the true gentleman of schools athletics, Rory Friel.

For athletes, coaches and officials, Rory was synonymous with the Schools International. He believed passionately in the value of school sport and the unique opportunity SIAB provided for young athletes to experience international competition, build lifelong friendships and take their first steps on the pathway to senior international success.

Rory devoted decades of service to schools athletics, not only as an outstanding teacher and coach at St Colman's College, Newry, but also through his leadership as International Competitions Director of the Irish Schools' Athletic Association, former Chairperson of the Schools International Athletic Board (SIAB), and representative on the Athletics Ireland Board. His influence extended far beyond Ireland, helping to strengthen the Schools International competition and ensuring it remained one of the most prestigious and respected events in the schools athletics calendar.

Those who had the privilege of working alongside Rory will remember his warmth, humour, wisdom and unwavering commitment to young people. Whether organising teams, supporting athletes, mentoring officials or simply offering encouragement from the track, he always placed the athletes at the heart of everything he did. His belief that every athlete deserved the very best experience continues to inspire those who now carry that responsibility forward.

As competition begins in Belfast this weekend, Rory's presence will undoubtedly be felt. His legacy lives on in every team assembled, every athlete proudly wearing their national colours, and every official and volunteer working to make this championship a memorable occasion.

The Irish Schools' Athletic Association joins with our colleagues across the Schools International Athletic Board in remembering a great friend of schools athletics.

We honour his extraordinary contribution, celebrate a life devoted to young people and sport, and give thanks for everything he gave to the Schools International family.

Thank you, Rory. Your legacy will continue to inspire generations to come.

HISTORY OF THE SIAB

The Schools International Athletic Board (SIAB) was established in 1948 to promote friendly international athletics competition among school-age athletes from England, Ireland, Scotland and Wales.

Created through cooperation between the four home nations' schools athletics organisations, SIAB provides talented young athletes with an opportunity to compete at international level while developing sporting excellence, teamwork and friendship. The annual SIAB Track and Field Championships remain the organisation's flagship event, alongside cross-country and combined events competitions introduced over time. Many athletes who have competed in SIAB events have progressed to successful senior international careers, including Olympic and World Championship representation.
